Contact: Call (781) 297-1153 for more information.

The Walkathon proceeds fund scholarships for New England Sinai's Adult Day Health Care Program, which enables frail elders to remain in their homes and in their communities. Without the financial help our scholarships provide, families are often forced to move their loved ones into a nursing home. These vital scholarships are awarded to qualified seniors from Stoughton and 19 surrounding communities. The Rotary Community Corps Adult Day Health Care Program, a not-for-profit organization of 13 area Rotary Clubs, hosts this Walkathon.
